STEVENSON, ROBERT**AN ACCOUNT OF THE BELL ROCK LIGHT-HOUSE**

...including the details of the erection and peculiar structure of that edifice, To which is prefixed a Historical View of the Institution and Progress of Northern Light-Houses. Edinburgh: Archibald Constable and Co., 1824. First edition, royal 4to, 23 engraved plates including the frontispiece after Turner and secondary title vignette engraved after Miss Stevenson on India paper, engineering plates, map, and a double-page view, 19th century half calf neatly rebacked, red morocco gilt label, endpapers renewed, some foxing to plates as is usual, slight dampstain to fore-edges of many plates and to gutter of frontispiece

Note: Ruff 179; Todd & Bowden 176A. The book is described in these bibliographies of Walter Scott due to the presence of his poem "Pharos Loquitor" below Miss Stevenson's fine vignette on the secondary title. It is a facsimile of the six lines of verse he wrote in a visitors' album at a lighthouse in 1814, during his celebrated voyage round Scotland with Stevenson and the lighthouse commissioners. "Some" copies, as here, have the plate on India paper. Both bibliographies note that the total edition was of only 250 copies. The great civil engineer, Robert Stevenson, practically inaugurated the Scottish lighthouse system, and the Bell Rock lighthouse is one of his finest and most remarkable achievements.

One of the most important German incunables, *The Nuremberg Chronicle* (as this work is commonly known) is the most richly illustrated printed book produced in the fifteenth century.

The text is a universal history of the Christian world from the beginning of times to the early 1490s, written in Latin by the Nuremberg physician and humanist Hartmann Schedel (1440-1514) on commission from the Nuremberg merchants, Sebald Schreyer (1446-1520) and Sebastian Kammermeister (1446-1503).

Drawn by the author from multiple medieval and Renaissance sources, such as Bede, Vincent of Beauvais, Martin of Tropic, Bartolomeo Platina, Flavius Blondus, and Philippus de Bergamo, the Chronicle also provides detailed information on the history and topography of European countries and towns. The narrative is divided into 11 parts, the so-called "world ages", and is profusely illustrated with images of biblical and historical events, alongside topographical views of towns and countries in Europe and the Middle East, including Jerusalem (and its destruction) and Byzantium.

BLACK, DUNCAN - RAF FLIGHT OFFICER A SMALL ARCHIVE OF LETTERS

including correspondence from Flight Officer Duncan Black to his parents, sent from Royal Airforce Base Wellesbourne Mountford, Warwick, and other British bases, describing training c.1943.

Correspondence sent to Flight Officer Duncan Black Six letters sent to Flight Lieutenant Duncan Black of the Royal Airforce on POW Post stationery in 1944/45 from his mother, wishing him well and writing about the weather and events in Edinburgh, including one letter sent March 1945 'Bring any of the boys - who have no homes to go to - back here with you and we'll put them up somehow.' mostly 'returned to sender', as Black had already been moved to Dulag Luft camp; a collection of later correspondence sent to Duncan Black whilst in the Department of Antiquities in Tripoli; and a collection of other letters and documents

Note: Duncan Black was a prisoner in Stalag Luft III [Permanent Camp for Airman #3], a German camp for Airforce servicemen based in near Zagen in Poland. The camp opened in 1942, with the North compound for British servicemen opened in June 1943. The position of the camp was selected in an attempt to prevent escape by tunnelling. However, this camp was the location of two of the war's most famous escape attempts, portrayed in film in *The Wooden Horse* and *The Great Escape*. Officers camps, such as Stalag Luft III, were very different from those for lower level soldiers and NCO's where food and clothing were in short supply.

LETTERS WRITTEN BY A 19TH CENTURY BRITISH OFFICER,
ALEXANDER REDMOND BEWLEY WARRAND

a collection of 22 letters written between December 1880 and October 1882 by an army officer, A. Redmond B. Warrand, initially stationed in Bombay but re-stationed to Egypt in 1882 in light of the Anglo-Egyptian War, Warrand writes to his mother, father and aunt describing his situation in India (including the tale of several colleagues being attacked by a tiger: "...Major Murray and Campbell were out shooting up near Burelly[?] last week, after quail. When suddenly a huge tiger who had been concealed by some low scrub made its appearance and was promptly fired upon but not much damaged... and a banquet or ball attended by both the Viceroy of India and the Maharaja, before describing his relocation to Egypt, writing: *This Egyptian affair seems to be gathering like a cloud on the horizon and unless something out of the ordinary course of affairs takes place we shall*

have a jolly squall, which becomes reality as Warrand is involved in the Battle of Tell-el Kebir, before he finally engaging in Egyptian sightseeing and heading to Malta: On Sunday drove to the Pyramids about 9 or 10 hours from here, by Jove they are a wonderful sight. I climbed to the top of Cheops with the assistance of 4 Arabs one pulling you by each arm another pushing you behind...

FOTHERGILL, GEORGE ALGERNON
THE MSS OF SYMBOL OF STRIFE [A MANUSCRIPT TRIBUTE TO
ROBERT BURNS]

The MSS of Symbol of Strife - Robert Burns, & 11 other lyrics on the Scottish Bard... Cramond Bridge, 1927. Bound 8vo manuscript, comprising a 7 page introduction dated 7.2.27 and signed George A. Fothergill; followed by 10pp. comprising two workings of Fothergill's poem "Symbol of Strife - Robert Burns", dated January and February 1927; followed by 10 leaves containing further poems on the subject of Burns dating from between 1911 and 1927, followed by 18 typewritten pages containing Fothergill's poems; contemporary blue boards, manuscript label to upper cover, bookplate, a little light internal foxing, a little wear to spine and covers

Note: The artist George Algernon Fothergill, 1868-1945, was clearly a great admirer of Robert Burns, who becomes the muse for this bound volume of manuscript and typewritten poetry. Curiously, much of the manuscript contents is written on the reverse side of Fothergill's engravings, Fothergill making a note to this effect on the contents page: "The prints, done from my pictures, which appear at the back of most of these pages have nothing to do with the verse - I was hard up for paper at the time I wrote all this so recklessly used the plates..."

'M.A.'

[A RICH CLOSET OF PHYSICAL SECRETS... VIZ. THE CHILD-BEARERS CABINET]

[London: printed by Gartrude Dawson..., [1653]] Small 4to, later calf, this issue bound with *A Treatise concerning the Plague and the Pox and Some other few additional observations as is usual*, lacking the initial four leaves (the title-page and "To the reader...") and the final leaf, the text begins with p.1, some browning, neat repairs to B2 and B3, some staining and fraying to a few leaves [ESTC 41664]

Provenance: The flyleaf contains manuscript notes by John Gordon of Huntly dated 1912. He traces ownership of the book from his ancestor, Dr William Gordon, (alchemist of Old College, Aberdeen) who participated in 'ane ordinance against witchcraft' The book was passed to Sir Robert Gordon in the 17th century. Skilled in alchemy, he had an underground laboratory in Gordonstoun and is still known today as the 'Wizard of Gordonstoun'. His daughter, Lucy, inherited the book and on her death in 1739 the book was bought by a physician, John Eagefield. His signature appears twice in the book with the dates 1739 and 1745. Eagefield was said to have carried the book as a physician to the Jacobite army during the uprising. During the year 1746 he was a casualty, said to be at Culloden, when the book passed as booty into the hands of James Rice, who inscribed his name and "God Save the King" in the book which was carried to London as noted on page 96. The book was recovered by a member of the Gordon family who brought it back to Aberdeen at the beginning of the 19th century. In 1871 it was still in use in Huntly in the hands of Margaret Gordon, known locally as the Carlin wife (carline being an old Scots word for witch).

John Gordon received the book in 1886 from Margaret Gordon's daughter, also called Margaret. John Gordon gifted the book in 1912 to J.W. Brodie Innes whose signature is across the facing page. Brodie Innes wrote *The Devil's Mistress* published 1915.

not usually stir out of his hold, but lies in it as close in the day as the timorous hare does in her form: for the chief feeding of either is seldom in the day, but usually in the night, and then the great Trouts feed very boldly.

And you must fish for him with a strong line, and not a little hook; and let him have time to gorge your hook, for he does not usually forsake it, as he oft will in the day-fishing: and if the night be not dark, then fish so with an artificial fly of a light colour, and at the snap; nay, he will sometimes rise at a dead mouse, or a piece of cloth, or any thing that seems to swim across the water, or to be in motion: this is a choice way, but I have not oft used it, because it is void of the pleasures that such days as these, that we two now enjoy, afford an Angler.

And you are to know, that in Hampshire, which I think exceeds all England for swift, shallow, clear, pleasant brooks, and store of Trouts, they use to catch Trouts in the night by the light of a torch or straw, which, when they have discovered, they strike with a Trout-spear or other ways. This kind of way they catch very many; but I would not believe it till I was an eye-witness of it, nor do I like it now I have seen it.

VEN. But, master, do not Trouts see us in the night?

PISC. Yes, and hear and smell too, both then and in the day time; for Gesner observes, the Otter smells a fish forty furlongs off him in the water: and that it may be true, seems to be affirmed by Sir Francis Bacon, in the Eighth Century of his *Natural History*,

Violet Jacob, neé Kennedy-Erskine, (September 1863 - September 1946) was a Scottish writer. Most often known for her novel, "Flemington", Jacob was also a Scots poet, described by Hugh MacDiarmid as "the most considerable of contemporary vernacular poets." Her poem, "The Wild Geese", has frequently been set to music as the Scottish folk song "Norland Wind" Boasting an impressive family history - one of her maternal great-grandfathers was King William IV - Jacob was raised around Montrose, writing in the Angus dialect and setting much of her work in the area.

The collection of sketch albums here were predominantly created during Jacob's travels in India, with her husband, Arthur Otway Jacob, an Irish officer serving in the British Army. They demonstrate skill in both botanical and landscape illustration, and seem to be contemporary with Jacob's work "Diaries and Letters from India 1895-1900"

AUCTIONEERS SINCE 1826

CONDITIONS OF SALE 21.2

FOR BUYERS (UK)

These Conditions of Sale and the Sale Room Notices as well as specific Catalogue terms, set out the terms on which we offer the Lots listed in this Catalogue for sale. By registering to bid and/or by bidding at auction You agree to these terms, we recommend that You read them carefully before doing so. You will find a list of definitions and a glossary at the end providing explanations for the meanings of the words and expressions used.

Special terms may be used in Catalogue descriptions of particular classes of items (Books, Jewellery, Paintings, Guns, Firearms, etc.) in which case the descriptions must be interpreted in accordance with any glossary appearing in the Catalogue. These notices and terms will also form part of our terms and conditions of sales.

In these Conditions the words "Us", "Our", "We" etc. refers to Lyon & Turnbull Ltd, the singular includes the plural and vice versa as appropriate. "You", "Your" means the Buyer. Lyon & Turnbull Ltd acts as agent for the Seller.

A. BEFORE THE SALE

1. DESCRIPTIONS OF LOTS

Whilst we seek to describe Lots accurately, it may be impractical for us to carry out exhaustive due diligence on each Lot. Prospective Buyers are given ample opportunities to view and inspect before any sale and they (and any independent experts on their behalf) must satisfy themselves as to the accuracy of any description applied to a Lot. Prospective Buyers also bid on the understanding that, inevitably, representations or statements by us as to authorship, genuineness, origin, date, age, Provenance, condition or Estimated selling price involve matters of opinion. We undertake that any such opinion shall be honestly and reasonably held and only accept liability for opinions given negligently or fraudulently. Subject to the foregoing neither we the Auctioneer or our employees or agents accept liability for the correctness of such opinions and no warranties, whether relating to description, condition or quality of Lots, express, implied or statutory, are given. Please note that photographs/images provided may not be fully representative of the condition of the Lot and should not be relied upon as indicative of the overall condition of the Lot. All dimensions and weights are approximate only.

2. OUR RESPONSIBILITY FOR OUR DESCRIPTION OF LOTS

We do not provide any guarantee in relation to the nature of a Lot apart from our authenticity warranty contained in paragraph E.2 and to the extent provided below.

(a) Condition Reports: Condition Reports are provided on our Website

or upon request. The absence of a report does not imply that a Lot is without imperfections. Large numbers of such requests are received shortly before each sale and department specialists and administration will endeavour to respond to all requests although we offer no guarantee. Any statement in relation to the Lot is merely an expression of opinion of the Seller or us and should not be relied upon as an inducement to bid on the Lot. Lots are available for inspection prior to the sale and You are strongly advised to examine any Lot in which You are interested prior to the sale. Our Condition Reports are not prepared by professional conservators, restorers or engineers. Our Condition Report does not form any contract between us and the Buyer. The Condition Reports do not affect the Buyer's obligations in any way.

(b) Estimates: Estimates are placed on each Lot to help Buyers gauge the sums involved for the purchase of a particular Lot. Estimates do not include the Buyer's Premium or VAT. Estimates are a matter of opinion and prepared in advance. Estimates may be subject to change and are for guidance only and should not be relied upon.

(c) Catalogue Alterations: Lot descriptions and Estimates are prepared in advance of the sale and may be subject to change. Any alterations will be announced on the Catalogue alteration sheet, made available prior to the sale. It is the responsibility of the Buyer to make themselves aware to any alterations which may have occurred.

3. WITHDRAWAL

Lyon & Turnbull may, at its discretion, withdraw any Lot at any time prior to or during the sale of the Lot. Lyon & Turnbull has no liability to You for any decision to withdraw.

4. JEWELLERY, CLOCKS & OTHER ITEMS

(a) Jewellery

(i) Coloured gemstones (such as rubies, sapphires and emeralds) may have been treated to enhance their look through methods such as heating and oiling. These methods are accepted practice but may make the gemstone less strong and/or require special care in future.

(ii) All types of gemstones may have been improved by some method. You may request a gemmological report for any Lot which does not have a report if the request is made to us at least three weeks before the date of the sale and You pay the fee for the report in advance of receiving said report.

(iii) We do not obtain a gemmological report for every gemstone sold in our sales. Where we do get gemmological reports from internationally accepted gemmological laboratories, such reports may be described in the Sale Particulars. Reports will describe any

improvement or treatment only if we request that they do so, but will confirm when no improvement or treatment has been made. Because of differences in approach and technology, laboratories may not agree whether a particular gemstone has been treated, the amount of treatment or whether treatment is permanent. The gemmological laboratories will only report on the improvements or treatments known to the laboratories at the date of the report.

(iv) For jewellery sales, all Estimates are based on the information in any gemmological report or, if no gemmological report is available, You should assume that the gemstones may have been treated or enhanced.

(b) Clocks & Watches: All Lots are sold "as seen", and the absence of any reference to the condition of a clock or watch does not imply the Lot is in good condition and without defects, repairs or restorations. Most clocks and watches will have been repaired during their normal lifetime and may now incorporate additional/newer parts. Furthermore, we make no representation or warranty that any clock or watch is in working order. As clocks and watches often contain fine and complex mechanisms, Buyers should be aware that a general service, change of battery or further repair work, for which the Buyer is solely responsible, may be necessary. Buyers should also be aware that we cannot guarantee a watch will remain waterproof if the back is removed. Buyers should be aware that the importing watches such as Rolex, Frank Muller and Corum into the United States is highly restricted. These watches cannot be shipped to the USA and only imported personally. Clocks may be sold without pendulums, weights or keys.

(c) Alcohol: may only be sold to persons aged of 18 years and over. By registering to bid, You affirm that You are at least that age. All collections must be signed for by a person over the age of 18. We Reserve the right to ask for ID from the person collecting. Buyers of alcohol must make appropriate allowances for natural variations of vintages, conditions of corks and wine. We can provide no guarantees as to how the alcohol may have been stored. There is always a risk of cork failure and allowance by the Buyer must be made. Alcohol is sold "as is" and quality of the alcohol is entirely at the risk of the Buyer and no warranties are given.

(d) Books: Collation: If on collation any named item in the Sale Catalogue proves defective in text or illustration the Buyer may reject the Lot provided he returns it within 21 days of the sale stating the defect in writing. This, however, shall not apply in the case of unnamed items, periodicals, autographed letters, music M.M.S., maps, drawings nor in respect of damage to bindings, stains, foxing, marginal worm holes or other defects

not affecting the completeness of the text nor in respect of Defects mentioned in the Catalogue, or at the time of sale, nor in respect of Lots sold for less than £300.

(e) Electrical Goods: are sold as "works of art" only and if bought for use must be checked over for compliance with safety regulations by a qualified electrician first. Use of such goods is entirely at the risk of the Buyer and no warranties as to safety of the goods are given.

(f) Upholstered items, are sold as "works of art" only and if bought for use must be checked over for compliance with safety regulations (items manufactured prior to 1950 are exempt from any regulations). Use of such goods is entirely at the risk of the Buyer and no warranties as to safety of the goods are given. We provide no guarantee as to the originality of any wood/material contained within the item.

Your request for this service must be made no later than 12 hours prior to the auction. We will accept bids by telephone for Lots only if our staff are available to take the bids. If You need to bid in a language other than English You should arrange this before the auction. We do not accept liability for failure to do so or for errors and omissions in connections.

(c) Written Bids

While prospective Buyers are regularly advised to attend the auction and are always responsible for any decision to bid for a particular Lot and shall be assumed to have carefully inspected and satisfied themselves as to its condition we shall, if so instructed, clearly and in writing execute bids on their behalf. Neither the Auctioneer nor our employees nor agents shall be responsible for any failure to do so. Where two or more commission bids at the same level are recorded we Reserve the right in our absolute discretion to prefer the first bid so

made. Bids must be expressed in the currency of the saleroom. The Auctioneer will take reasonable steps to carry out written bids at the lowest possible price, taking into account the Reserve. If You make a written bid on a Lot which does not have a Reserve and there is no higher bid than Yours, we will bid on Your behalf at around 50% of the lower Estimate or if lower, the amount of Your bid.

C. DURING THE SALE

1. ADMISSION TO OUR AUCTIONS

We shall have the right at our discretion, to refuse admission to our premises or attendance at our auctions by any person. We may refuse admission at any time before, during or after the auction.

2. RESERVES

Unless indicated by an insert symbol (Δ), all Lots in this Catalogue are offered subject to a Reserve. A Reserve is the confidential Hammer Price established between us and the Seller. The Reserve is generally set at a percentage of the low Estimate and will not exceed the low Estimate for the Lot.

3. AUCTIONEER'S DISCRETION

The maker of the highest bid accepted by the Auctioneer conducting the sale shall be the Buyer and any dispute shall be settled at the Auctioneer's absolute discretion. The Auctioneer may move the bidding backwards or forwards in any way he or she may decide or change the order of the Lots. The Auctioneer may also: refuse any bid, withdraw any Lot, divide any Lot or combine any two or more Lots, reopen or continuing bidding even after the hammer has fallen.

4. BIDDING

The Auctioneer accepts bids from:
(a) Bidders in the saleroom;
(b) Telephone Bidders, and internet Bidders through Lyon & Turnbull Live or any other online bidding platform we have chosen to list on and;

The saleroom video screens and bidding platforms may show bids in some other major currencies as well as sterling. Any conversion is for guidance only and we cannot be bound by any rate of exchange used. We are not responsible for any error (human or otherwise), omission or breakdown in providing these services.

7. SUCCESSFUL BIDS

Unless the Auctioneer decides to use their discretion as set out above, when the Auctioneer's hammer falls, we have accepted the last bid. This means a contract for sale has been formed between the Seller and the successful Bidder. We will issue an invoice only to the registered Bidder who made the successful bid. While

we send out invoices by post/or email after the auction, we do not accept responsibility for telling You whether or not Your bid was successful. If You have bid by written bid, You should contact us by telephone or in person as soon as possible after the auction to get details of the outcome of our bid to avoid having to pay unnecessary storage charges.

Value Added Tax is charged at the appropriate rate prevailing by law at the date of sale and is payable by Buyers of relevant Lots. Please see D.2(e) for the conditions to be fulfilled before the VAT charged on the Hammer Price may be cancelled or refunded upon exporting from the UK.
(a) Lots affixed with (†): Value Added Tax on the Hammer Price and Buyer's Premium is imposed by law on all items affixed with a dagger (†). This imposition of VAT may be because the Seller is registered for VAT within the UK and is not operating under a Margin Scheme.

(b) Lots affixed with (‡): A reduced rate of Import Value Added Tax on the Hammer Price of 5% is payable. This indicates that a Lot has been imported from outside the UK.

(c) Lots affixed with [Q]: Standard rate of 20% of Import Value Added Tax on the Hammer Price and premium is payable. This applies to items that have been imported from outside the UK and do not fall within the reduced rate category.

(d) Lots affixed with [Q] or ‡ when these lots are released to buyers in the UK, the buyer will become the importer and must pay us Lyon & Turnbull Ltd. the import VAT at the rates noted above on the hammer price. The buyer should also note that the appropriate rate will be that in force on the date of our release and not that in force at the date of auction or payment.

(e) Export from the UK: For lots

offered under the VAT Margin Scheme and lots with [Q] or ‡ symbols attached: you may be eligible to have a VAT refund in certain circumstances if the lot is exported. Should you show us proof of export within three months of collection a VAT refund may be arranged. No VAT amounts will be refunded where the total refund is under £100. Bank/transfer charges relating to any refund will be borne by the buyer and will not be reimbursed. Please also note that all customs formalities of the destination country are the responsibility of the buyer.

3. ARTIST'S RESALE ROYALTY (DROIT DE SUITE)

This symbol & indicates works which may be subject to the Droit de Suite or Artist's Resale Right, which took effect in the United Kingdom on 14th February 2006. We are required to collect a royalty payment for all qualifying works of art. Under new legislation which came into effect on 1st January 2012 this applies to living artists and artists who have died in the last 70 years. This royalty will be charged to the Buyer on the Hammer Price and in addition to the Buyer's Premium, it will not apply to works where the Hammer Price is less than €1,000 (euros). The charge for works of art sold at and above €1,000 (euros) and below €50,000 (euros) is 4%. For items selling above €50,000 (euros) charges are calculated on a sliding scale. All royalty charges are paid to the Design and Artists Copyright Society ('DACS') and no handling costs or additional fees are retained by the Auctioneer. Resale royalties are not subject to VAT. Please note that the royalty payment is calculated on the rate of exchange at the European Central Bank on the date of the sale. More information on Droit de Suite is available at www.dacs.org.uk.

E. WARRANTIES

1. SELLER'S WARRANTIES

For each Lot, the Seller gives a warranty that the Seller,
(a) is the owner of the Lot or a joint owner of the Lot acting with the permission of the other co-owners, or if the Seller is not the owner of or a joint owner of the Lot, has the permission of the owner to sell the Lot, or the right to do so in law, and
(b) Had the right to transfer ownership of the Lot to the Buyer without any restrictions or claims by anyone else.
If either other above warranties are incorrect, the Seller shall not have to pay more than the Purchase Price (as defined in the glossary) paid by You to us. The Seller will not be responsible to You for any reason for loss of profits or business, expected savings, loss of opportunity or interest, costs, damages, other damages or expense. The Seller gives no warranty in relation to any Lot other than as set out above and, as far as the Seller is allowed by law, all warranties from the Seller to You, and all obligations upon the Seller which may be added to this agreement.

by law, are excluded.

2. AUTHENTICITY GUARANTEE

We guarantee that the authorship, period, or origin (collectively, "Authorship") of each Lot in this Catalogue is as stated in the BOLD or CAPITALISED type heading in the Catalogue description of the Lot, as amended by oral or written saleroom notes or announcements. We make no warranties whatsoever, whether express or implied, with respect to any material in the Catalogue other than that appearing in the Bold or Capitalised heading and subject to the exclusions below.

In the event we, in our reasonable opinion, deem that the conditions of the authenticity guarantee have been satisfied, it shall be refunded to the original purchaser of the Lot the Hammer Price and applicable Buyer's Premium paid for the Lot by the original purchaser. This Guarantee does not apply if:

(a) The Catalogue description was in accordance with the opinion(s) of generally accepted scholar(s) and expert(s) at the date of the sale, or the Catalogue description indicated that there was a conflict of such opinions; or
(b) the only method of establishing that the Authorship was not as described in the Bold or Capitalised heading at the date of the sale would have been by means or processes not then generally available or accepted, unreasonably expensive or impractical to use; or likely (in our reasonable opinion) to have caused damage to the Lot or likely to have caused loss of value to the Lot; or
(c) There has been no material loss in value of the Lot from its value had it been in accordance with its description in the Bold or Capitalised type heading.

This Guarantee is provided for a period of one year from the date of the relevant auction, is solely for the benefit of the original purchaser of the Lot at the auction and may not be transferred to any third party. To be able to claim under this Authenticity Guarantee, the original purchaser of the Lot must:

(a) notify us in writing within one month of receiving any information that causes the original purchaser of record to dispute the accuracy of the Bold or Capitalised type heading, specifying the Lot number, date of the auction at which it was purchased and the reasons for such dispute; and
(b) return the Lot to our registered office in the same condition as at the date of sale to the original purchaser of record and be able to transfer good title to the Lot, free from any third party claims arising after the date of such sale.

We have discretion to waive any of the above requirements. We may require the original purchaser of the Lot to obtain, at the original purchaser of Lot's cost, the reports of two independent and recognised experts in the field. The reports must be mutually acceptable to us and the original purchaser of the Lot. We shall not be

bound by any reports produced by the original purchaser of the Lot, and Reserves the right to seek additional expert advice at its own expense. It is specifically understood and agreed that the rescission of a sale and the refund of the original Purchase Price paid (the successful Hammer Price, plus the Buyer's Premium) is exclusive and in lieu of any other remedy which might otherwise be available as a matter of law. Lyon & Turnbull and the Seller shall not be liable for any incidental or consequential damages incurred or claimed, including without limitation, loss of profits or interest.

3. YOUR WARRANTIES

(a) You warrant that the funds used for settlement are not connected with any criminal activities, including tax evasion and You are neither under investigation, have been charged with or convicted of money laundering, terrorist activities or other crimes.

(i) You have conducted appropriate customer due diligence on the ultimate Buyer(s) of the Lot(s) in accordance with all relevant anti-money laundering legislation, consent to us relying on this due diligence, and You will retain for a period of not less than five years the documentation evidencing the due diligence. You will make such documentation promptly available for immediate inspection by a third party and/or upon our written request to do so.

(ii) The arrangements between You and the ultimate Buyer(s) in relation to the Lot or otherwise do not, in whole or in part, facilitate tax crimes; and:

(i) You do not know, and have no reason to suspect that the funds used for settlement are connected with the proceeds of any criminal activity, including tax evasion; or that the ultimate Buyer(s) are under investigation or have been charged with or convicted of money laundering, terrorist activities, or other crimes.
